Dear Mrs Funegra,

We are writing to thank you for your presentation on the Quechua Language ,  
on 5<sup>th</sup> May 2011, at our University.

The students of the course on Social and Cultural Anthropology of Latin  
America, taught by Mrs Salinas, in the Master 1 of *Legal and Economical  
Translation*, English-Spanish option, enjoyed very much your lecture:  
'Quechua, una lengua que se desvanece'. One of them chose the issue that you  
mentioned and submitted work on the topic that you discussed. You will find it  
here attached.

Looking forward to having a collaboration between our Universities, yours  
sincerely,

Patricia Salinas
